EDUCATION

Uttaranchal University, Dehradun 2023 - 2027
B.Tech in Computer Science and Engineering

Dayawati Modi Academy, Rampur XII: 2021 - 2022, X: 2019 - 2020
XII: **65%**, X: **77%**

SKILLS

Programming Languages: Python, JavaScript, SQL, Bash
Web Development: HTML, CSS, Flask, API Handling
Database: SQL, DBMS
Core CS: Data Structures and Algorithms, OOP, Computer Networks, Operating Systems
Development Tools: Git, GitHub, Linux, Docker
Networking: TCP/IP, UDP, ICMP, DNS, HTTP/HTTPS, Subnetting
Libraries / Technologies: Scapy, PCAP Analysis

EXPERIENCE

Cyber Security Intern 20 April 2026 - 20 May 2026
CodeAlpha

- Completed a one-month internship focused on practical cybersecurity learning and technical activities.
- Gained exposure to cybersecurity concepts, security practices, and hands-on problem-solving.
- Strengthened analytical and security-oriented technical skills through practical learning.

PROJECTS

Network Sniffer – Packet Capture and Analysis Tool — Python, Scapy, TCP/IP, PCAP

- Developed a Python-based network packet capture and analysis tool using the Scapy library.
- Implemented capture and analysis of IP, TCP, UDP, ICMP and DNS packets.
- Built protocol filtering for TCP, UDP, ICMP, DNS, HTTP and HTTPS traffic.
- Added PCAP export functionality for storing captures for further analysis.
- Displayed source/destination IPs, ports and payload information in real time.

Hotel Review System — Machine Learning, Web Application, HTML/CSS

- Developed a web-based hotel review system with Home, Feedback and Thank You interfaces.
- Implemented an ML-based review system trained on 5,000+ reviews.
- Integrated browser-based text-to-speech functionality on the Home and Thank You pages.
- Designed the application flow to collect feedback and process hotel reviews.

AI Resume Analyzer — AI/ML, Resume Analysis

- Project in development focused on analyzing resumes against job descriptions and generating AI-assisted feedback.

ACHIEVEMENTS

Smart India Hackathon 2023 — Team Leader

- Led a team during Smart India Hackathon 2023 at Uttaranchal University.
- Secured 7th place among 128 participating teams.

CERTIFICATIONS

NASSCOM GenAI Certificate — Gen AI NASSCOM course under the Skill Development Program (issued 24 Feb 2026).
Networking Essentials — ICT Academy through Cisco Networking Academy (completed 26 Mar 2026).
Network Technician Career Path — Cisco Networking Academy (verified achievement)
Deloitte Australia — Cyber Job Simulation, Forage (Certificate of Completion, 2 Jul 2025)
ANZ — Cyber Security Management Job Simulation, Forage (Certificate of Completion, 16 Jul 2025); practical tasks included Social Engineering Investigation and Digital Investigation
